**1) Food Bank**, the Jersey Netball Association have recently read in the press about the difficulties local charities are having with regards to food donations for their food banks. To support they have decided to place boxes at their netball venue at Les Ormes on a Monday & Tuesday evening during their winter league fixtures for anyone who would like to donate. They will collect for a different charity each month and we have advised that we would like to be one of those charities. They are asking that the boxes are collected at 8pm on the relevant evenings, if anyone would like to volunteer, please speak to Julie in the office.

**2) Kairos Arts**, there is an opportunity to learn more about the work done by Kairos Arts through a new course that is starting in

November. The course will enable creatives, therapists and professionals in relevant fields to learn more about the unique therapeutic arts approach that are used to restore hope, dignity and worth through the freedom of the creative arts.

The course is the first step for potential future Kairos Arts Practitioners to begin their journey. The course will take place on Tuesday evenings 7 - 9.30pm from the 8<sup>th</sup> November to the 13<sup>th</sup> December, then the 10<sup>th</sup> and the 17<sup>th</sup> January 2023.

For more information, please contact [naomi@kairosarts.org](mailto:naomi@kairosarts.org).

**3) Lighthouse Church** is holding an alternative Halloween event aimed at teaching and celebrating God is Light on Sunday 30<sup>th</sup> October. The event is available to children between 5-10 years, there will be games, crafts and teaching a Bible story.
