- 1) **St Aubin request for help**, we are very fortunate at St Aubin to be in such a beautiful location. Over the next few months, we are hoping to have our Church open as much as possible. For the Church to be open and for safety reasons we need two people on duty at any one time. Last year we had a few volunteers from the Circuit, which was really appreciated, so once again if anyone has some time to spare and would like to know more about what is involved, please get in touch with Mary Jones, tel: 743198. It is such a wonderful outreach for both locals and visitors. Many thanks.

- 2) **Cake & Concert**, with The Holmchase Singers, being held on **Saturday 25th May** at Georgetown Church from 2:30pm onwards, all proceeds going to Church funds.

- 3) **Acts of The Apostles**, over five consecutive Tuesday afternoons you're invited to explore the **Holy Spirit's influence** upon some of the lesser-known people in the book o Acts:
