- 6) **Prayer Summit 2026 – 23rd/24th January – Freedom Church**, Over the past year, we have witnessed a growing movement of prayer and intercession across Jersey. Many individuals have been stirred to seek revival and pursue God's sovereign influence in various aspects of island life. In response to this stirring, we held our maiden Prayer Summit in 2025, which served to mobilise and equip believers for intercessory prayer.

This year, we are thrilled to announce the second edition of the summit. Organized by Freedom Church, this gathering is open to all of God's people across the island. The theme for this year's summit is "Keeping the Gates", reflecting our expectation that God will stir up both the ministry of intercession and the prophetic as part of His call to revival in the British Isles.

We are privileged to host two seasoned Bible teachers who will join us for the two-day event, sharing deep insights and guiding us in prayer and intercession.

We look forward to uniting as one body, standing in the gap for our island, and partnering with God to see His kingdom come.
